PROFESSIONAL SUMMARY

Highly motivated and results-driven Junior Web Developer with a strong foundation in front-end technologies. Successfully completed the freeCodeCamp Responsive Web Design Developer Certification (representing 300 hours of work) and achieved completion in HTML courses from Simplilearn and ScholarHat. Currently gaining practical experience as an Assistant Teaching Intern at Kutchi Kumhar IT Center, where I actively assist in teaching HTML, CSS, and Bootstrap and guide students in problem-solving. Known for being a quick learner, excellent team player, and dedicated professional, I am eager to apply my skills to build dynamic and responsive websites.
